budget requests for 1921 to the board of Estimate, yesterday asked for an increase of more than \$3,000,000 for the coming year. The departmental fotal requested was \$16,383,535, as against an allowance for this year of the previous year.

Net corporate income after taxes and the report shows. Despite the heavy troop movement in 1918, the report states that 37.5 per cent more passengers were carried in 1919 than during the previous year.

Net corporate income after taxes and largely for apparatus required to complete the motorization of the department and for new sites and buildings. The staggering increases asked by the departments which have so far submitted estimates have prompted Mayor Hylan to appeal to the members of the Board of Estimate to cooperate with him in slashing the 1921 budget.

SALESMEN

Said Colonel Roosevelt to a man we know. "I try to guard myself constantly against going off helf-constantly against going off helf-cocked." For the salesmen we invite to co-operate with us we take just such precaution. We know that to go off half-cocked is nine times out of ten to miss the mark. Unlimited money-making possibilities, progressively prosperous careers and carly elevation to positions of increased responsibility are virtually insured every clean-cut, ambitious, well-intentioned man admitted to our sales staff. Our rapidly growing sales organization leads us to call for about fifteen just such forward-looking, impressionable and inpressive young men. At your back we'll put the organized co-operation of an organization that is the making of all its men, whether they come full-fiedged or absolutely lacking in selling experience. Interviews confidential. Call 19 to 4.
